LIST OF ISSUES TO BE ADDRESSED AT WORKSHOP

The following list of issues to be addressed at the workshop is submitted by AARP. AARP is submitting this list based on the emailed comments of participants; AARP does not necessarily endorse each issue.

<u>Topic</u>	<u>Presenter(s)</u>
1. Overview of Proposal and its history (summarize prior workshops)	AARP and its witness John Howat
2. Costs and Revenues of the proposal, including potential numbers of participants, arrearage amounts, number of meters, etc	John Howat
3. GMP Pilot Project, costs, participation level, successes and failures	Mary Morris from GMP
4. Who Should Administer?	Morris, Howat and AHS and or OEO representative (to be invited)
5. Other existing energy and income assistance programs (WEC suggestion)	AHS or OEO representative? WEC?
6. Pros and Cons of the proposal, including issues such as cost shifting, need for the program (DPS suggestion)	Vigorous discussion is sought (DPS suggestion). Inherent in any low income program idea is some cost-

shifting. AARP hopes that the discussion will focus on whether this proposal properly implements the statute, and if not how the proposal could be improved.
